Human life is a wondrous journey where we encounter innumerable people, events and cherish a million memories.

I, Amit Kaur Anand, the Class Representative of Grade XII, it is my privilege and pleasure to present the Annual Report of Grade XII for the year 2020-21. It has been a truly rewarding year even in this tough time of pandemic.

### Events/Activities

**“If the mind is intensely eager, everything can be accomplished- mountains can be crumbled into atoms,” said Swami Vivekananda. A number of activities were organized throughout the session to ensure a better personality development among students as we believe that each child is unique and possesses inherent potential.**

1. **World Book Day**: Books gives plenty of joy to everyone and also helps in learning a lot of things. With this vision, the **World Book Day** was celebrated with Grade XII students along with their family members to promote reading for pleasure.
2. **International Yoga Day**: **“Yoga is For Everyone”**. At a challenging time like the COVID-19 pandemic, when a constant restricted human contact takes a toll on your mind and body, it’s imperative to embrace the ancient, powerful and healing effects of yoga. So, on **International Yoga Day**, KRM’s extended families rejoined and experienced yoga on the virtual platform.
3. **Vaishali Virtual Flash Mob**: Dancing is a psychological therapy that provides a great mind-body workout. As the pandemic has pressed on, people have found innovative ways to come together. Similarly, Virtual Flash Mob was celebrated with Grade XII as a way of encouraging people to dance their blues away.

5. **Virtual Art Exhibition:** An art is an expression of our thoughts, emotions, intuitions, and desires. It is the communication of intimate concepts that cannot be faithfully portrayed by words alone. In the same way, the Grade XII students actively participated in it to exhibit their emotions and thoughts skilfully.

6. **Interschool Competitions:** Our children of Grade XII participated in a number of activities pertaining to art, culture, literature, science, technology, social sciences and environment. Many won prizes and brought laurels to the school.

7. **Independence Day Celebration:** Patriotism means loyalty of person to his/her own nation or the leaders of nation. The school celebrated Independence Day with patriotic fervor. A quiz was conducted to celebrate the day with the students to ignite the feeling of patriotism in them.

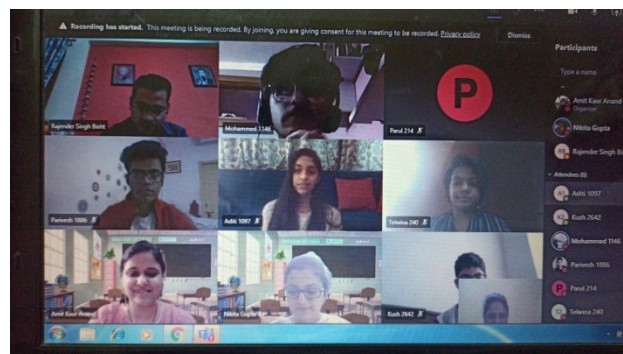

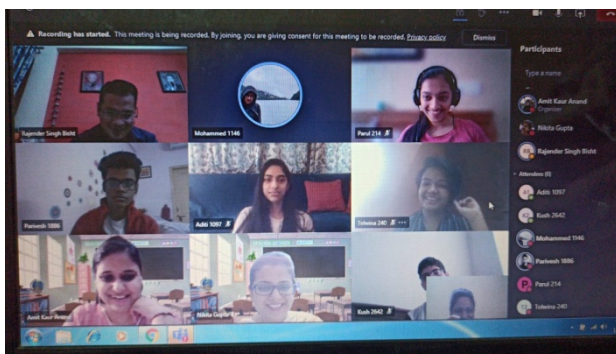

8. **Children's Day Celebration:** Children's Day is celebrated to increase awareness of the rights, care and education of children. Children's Day was celebrated with great enthusiasm this year too. Various fun & frolic activities for children were organized by the teachers virtually.

9. **Workshops for Students:** Students attended workshops on the various on-going trends like Artificial Intelligence, Career Counseling and International Admissions. Apart from the workshops, students attended live streaming of court proceedings.

10. **Learning Time for Teachers:** Up-gradation of skills is of utmost importance for teachers. Keeping this in mind, the teachers also attended the number of in-service trainings; trainings conducted by COE, CBSE and many more webinars pertaining to their subjects and core skills.

11. **Webinar by Teachers:** Also our teachers conducted a webinar for other faculty members and cross branches on the usage of various online educational apps and tools so as to enhance the teaching-learning process in the virtual mode as well.
