VAISHALI**

# PRINCIPAL'S ADDRESS

*Dear Readers*

*On behalf of the School Management, I would like to wish all our parents, guardians, staff and dear students a safe, happy and a great 2023. May this year bring new happiness, new goals, new achievements, and many new inspirations for your life. Out with the old and in with the new! There is a wonderful feeling of renewal at the end of one year and the beginning of the next. We have more experience than we did the year before and perhaps we're a little wiser and can give more to others in the year ahead. As the old saying goes; what doesn't kill you, makes you stronger! So, be thankful for all your experiences, blessings and be expectant of 'even better still to come!'.*

*I heartily wish that this year brings to you more strength and more dedication and I do pray that you are able to achieve all your goals with your matchless commitment and sincerity. Students must learn from your past mistakes and accomplish your targets for future with your strength and dedication. No lesson is difficult once you start reading it and no goal is difficult to accomplish once you start working hard for you. All you need to do is take the first step. Actually, the only winner is that person who does not surrender and always fights the circumstances and challenges and works hard to get what he desires. One should always remember that every problem has a solution and every child has a talent and it is our duty to nurture this talent and let it bloom to spread the fragrance of love, peace and harmony in the society.*

*I am looking forward to a productive partnership with parents and teachers to ensure our children can achieve their highest potential. Dear students, I wish you all the very best for your forthcoming Board Examinations, may you all pass with flying colours!*

*Regards*

*Seema Bahal*

# From the Editorial

Dear Readers

"Good leaders create a vision, articulate a vision and passionately owns a vision and turn it into a reality" -  
Jack Welch.

A thought that has been enduring in mind when it becomes real; is truly an interesting and exciting experience. This magazine is one such cherished work that had its roots in the persuasion. It would be a snapshot of the various activities and advancements.

Proper communication plays a vital role in institution's development. This magazine will serve to reinforce and allow increased awareness, improved interaction and integration among all of us. Usually we fail to appreciate the good deeds of many people and activities that happen around us as we are engaged in irrelevant talks and assumptions. It could all change if we just pause to think of what is our contribution to the society from which we have been gifted with this blessed life. The progress of the society is mainly depends on many people who are working behind the scenes, overtime round the clock planning things to the smallest. This news letter will be a medium to provide proper acknowledgement and respect all of these efforts and its results.

Happy Reading!

*Ms. Nishtha Asija (Executive Editor)*

*Ms. Sonam Kumar (Editor)*

*Ms. Anupriya Saini (IT Department)*

# ACHIEVEMENTS

**“Optimism is the faith that leads to achievement. Nothing can be done without hope and confidence.”**

**A moment of exhilaration and elevation for our school fraternity! Felicitations to Prakkhar Singh, a student of Grade 8 who sealed the success with a Gold Medal at ‘CBSE Archery Zonal’ at DPS, Rudrapur and has been selected to represent our school in upcoming CBSE Nationals.**

Celebrating  
**10 YEARS**  
of K.R Mangalam  
World School, Vaishali

Annual Day  
Theme  
**‘Krishna’**

Save the date  
22<sup>nd</sup> & 23<sup>rd</sup> Dec 2022

It's time to celebrate all over! K.R.Mangalam World School, Vaishali was all set to streak the unceasing celebration of its Decennial Anniversary. A unique experience was cherished at the Annual Day Celebration with a vibrant theme 'Krishna', held on 22<sup>nd</sup> & 23<sup>rd</sup> December 2022, where our decade-long journey together was honoured!

# TRAINING & SEMINAR

“Knowing what’s right doesn’t mean much unless you do what’s right”

A workshop on cyberbullying was organized for students of Grade 6-12. In these difficult times when the students are online most of the time, it is easy for them to become easy targets of cyberbullying. The resource person Mr. Rakshit Tandon addressed all the important topics such as how students can avoid putting too much information online, how easily photos or information they post can go viral and what children can do to defend themselves if they are targeted by cyberbullies. The focus of the session was to create awareness about the usage of networking devices, which has become a part and parcel of everyone’s life. An individual who is unaware of the use of the cyber world is vulnerable to the risks it poses. The entire session was meticulously designed and executed; it covered a wide range of issues from morphing to online predators. Overall, it was a very thought-provoking session.

# EDUCATIONAL TRIPS

Leadership qualities may be inborn, but the school takes great pride in nurturing and honing them through various activities. Leadership Adventure Camps, trips and excursions are one such opportunity that students are exposed to and experience challenges that are exhilarating yet strengthen the will and the mind.

They also encourage an attitude of sportsmanship, foster participation and achievement in recreational activities, increase mental and physical fitness.

# **CLASS ASSEMBLY REPORT**

## **(GRADE 1-F)**

### **TOPIC: "TRUTH WINS"**

Truth always comes out in the end, no matter how hard anyone tries to hide it or stop it. Keeping the same in mind , the learners of Grade 1-F presented a beautiful assembly on the topic 'Truth Wins'. The assembly comprised of a skit of a girl who told lied to her mother and later realized her mistake. Followed by the famous story of woodcutter and the three axes. Children showcased their talent effectively as they conveyed the message that the greatest advantage of speaking the truth is that you don't have to remember what you said and also emphashized on 'Satyamev Jayate'.The assembly also comprised of rhymes and dance by children on 'Speak the truth' and 'Integrity'. Overall, it was a great learning experience for the children where every child was involved.

# **CLASS ASSEMBLY REPORT (GRADE 1-C)**

## **TOPIC: “REDUCE, REUSE, RECYCLE”**

If we follow the practices of reducing, reusing and recycling we can live in a cleaner, safer and happier environment. Keeping the same notion, the learners of Grade 1-C presented a beautiful assembly on the topic 'Reduce, Reuse ,Recycle'. The assembly comprised of a 'Nukkad Natak' which talked about the challenges in the rising amount of generated waste and littering due to high demand for food products and other essentials causing overflowing bins , as landfill space is quickly running out, the plastic pollution in our oceans are increasing and our environment is deteriorating at a faster pace. Children showcased their talent effectively as they conveyed the message that it is important to be mindful of the three R's in our everyday life. Our environment does so much for us, it's time to do the same for our Earth and save environment.

The assembly also comprised of rhymes and song by children on 'Mother Earth' and Reduce, Reuse, Recycle'. Overall, it was a great learning experience for the children.

# ACTIVITIES

GRADES	ACTIVITY NAMES
NUR	COMMUNITY HELPERS CHRISTMAS ACTIVITY
I	PAPER FLOWER MAKING SPELL BEE ACTIVITY
II	HOUSES AROUND THE WORLD

# CHRISTMAS ACTIVITY

*“Christmas is a day of meaning and traditions, a special day spent in the warm circle of family and friends.”*

Keeping this celebration fever further, teachers of Grade Nursery planned an Activity on the topic of ‘Christmas’ on 16<sup>th</sup> December 2022.

Christmas is important because families and friends come together and share love and gratitude, and show appreciation for each other. Celebration of the birthday of Jesus Christ inspires many people for a new start of relations and so many other things in their lives.

The students were guided to make beautiful bells with the help of the paper glass, ribbon ,glitter sheet and colored sheets . Kids enjoyed doing the activity and had fun in making the craft.

# COMMUNITY HELPERS ACTIVITY GRADE NURSERY

*“To become a better you, remember to be grateful to people who have contributed to making you who you are today.”*

To contribute the above thought, the Grade Nursery teachers planned a craft activity for their students on 9th December 2022.

Learning about community helpers helps children to understand being a part of a community, which leads to a feeling of belonging. It helps to foster a sense of teamwork within a child's world.

The students were guided to make beautiful Clay tools by community helpers with the help of the clay. Clay modelling is an activity that is therapeutically beneficial to kids in many ways. One important benefit of clay modelling is the role it plays in early childhood education. Kids enjoyed doing the activity and had fun making the craft.

# **PAPER FLOWER MAKING ACTIVITY GRADE-I**

**“Art is everywhere, except it has to pass through a creative mind.”**

Arts and crafts help children develop many life skills. To indulge little artists in creativity, 'Flower Making Activity' was conducted for the students of Grade I, where children crafted their own beautiful paper flowers.

All the students showed their creativity and enjoyed the activity. It was an exciting and fun filled- day.

# **SPELL BEE ACTIVITY**

## **GRADE-I**

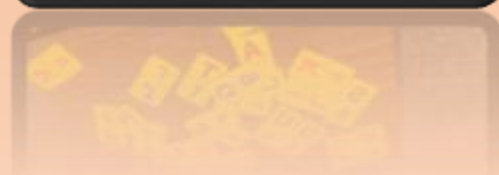

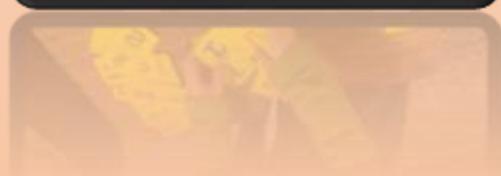

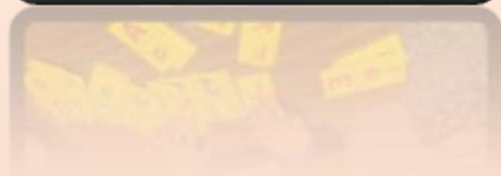

**“Spelling helps cement the connection that is shared between sounds and letters”**

Spelling, or the skill of accurately putting letters together to create meaningful words, is one of the key elements of effective writing. Spelling with assurance fosters confidence in all facets of literacy. Grade I students' Spell Bee Activity was planned with this in mind. It was designed to provide pupils with a platform for learning various spelling along with their pronunciations, so enhancing their vocabulary.

Students were asked to answer questions on a quiz designed for this activity by creating the words with their alphabet kits.

The competition's goal was to improve kids' literary and spelling abilities. Students gave the competition their full attention. Everybody admired their initiative and hard work.

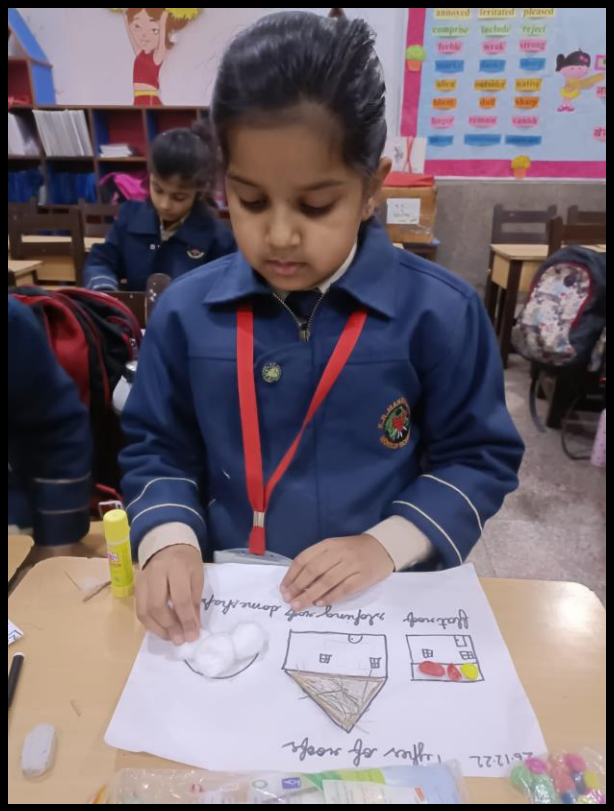

# HOUSES AROUND THE WORLD GRADE-II

What we have to learn to do, we learn by doing. —  
Aristotle.

Grade II students set on a quest to create an environment that embraced the intellectual and academic bar over excellence by showing houses with different types of roofs like flat, sloping and dome-shaped roofs. The students used different material used to make such roofs. This activity made students highly motivated in learning catering to creative, intellectual and social needs. It was a stimulating activity to provide informative education and enjoyable learning for our students.

# HAPPINESS CURRICULUM

“Happiness is not having what you want. It is appreciating what you have.”

The happiness curriculum was infused along with our scholastic approach. The Curriculum is a path-breaking initiative that questions and challenges the traditional pedagogy and practice. The curriculum believes that the purpose of education is to create confident, mindful, responsible, and happy individuals who collectively build a happy and harmonious society. The Happiness Curriculum is an endeavor to guide the attention of students towards exploring, experiencing, and expressing happiness in not just the momentary but deeper and sustainable forms as well. This will enable the learner to comprehend happiness within self, relationships and society. This enables a paradigm shift where a learner moves from searching happiness externally through senses to, be able to ensure it within oneself through Learning & Awareness and ensure continuity of values.
