# PRINCIPAL'S ADDRESS

“Education is the key that unlocks the golden door to freedom.” We live today in a world that is so very different from the one we grew up in, the one we were educated in. The world today is changing at such an accelerated rate and we as educators need to pause and reflect on this entire system of Education.

We at K.R. Mangalam World School, Vaishali work at implementing a well-balanced curriculum to ensure that the children who walk into the portals of our school will not just love their school years but truly be prepared to face life's challenges. We look at ourselves as a community of learners, where everyone learns including our teachers, parents & staff.

Today, the role of a school is not only to pursue the academic excellence but also to motivate and empower the students to be lifelong learners, critical thinkers, and productive members of an ever-changing global society. Converting every individual into a self-reliant and independent citizen, our school provides an amalgam of scholastic and co-scholastic activities.

A devoted and supportive management, enthusiastic teachers, caring and co-operative parents blend harmoniously to create a child-centric school. The reflection of the student's creativity is the epitome of this magazine. I am sure that the positive attitude, hard work, sustained efforts and innovative ideas exhibited by our young children will surely stir the mind of the readers and take them to the fantastic world of unalloyed joy and pleasure.

# From the Editorial

Dear Readers

“Words are the brushstrokes of the soul’s canvas, and editing is the art of revealing the masterpiece within.”

In its early stages, the human mind resembles a coarse grain of sand, yearning for a nurturing shell filled with a broad spectrum of learning opportunities and experiences. From covering news and current events to exploring science, the arts, and culture, our articles span a wide range of subjects. This keepsake is a sincere endeavor to assist our budding talents in expressing their creativity and honing the skills of awareness. We firmly believe that our success is intertwined with our capacity for perception, observation, and exploration. We are confident that our reader’s minds will be invigorated and transported to a surreal world of unbridled excitement and pleasure by the optimistic attitudes, hard work, perseverance, and creative ideas of our young contributors. The school magazine serves as a platform for students to express their creative pursuits, fostering originality of thought and perception. The content of the magazine reflects the wonderful creativity of thoughts and imaginations of our students. This magazine is more than just a compilation; it is a timeless masterpiece waiting to be unwrapped and savored.

Happy Reading!

# ACTIVITIES

# **THREAD PULLING ACTIVITY GRADE NURSERY**

In the vibrant world of nursery schooling, creativity knows no bounds. One delightful activity that sparked the imagination of these young minds was the 'Thread Pulling Art.' With tiny hands gripping colourful threads dipped in paint, these young Picassos carefully lay the threads on crisp white sheets of paper within the pages of a book. Gently shutting the book, excitement danced in their eyes as they pull the threads out, revealing whimsical designs left behind by the paint-soaked journey. It's was a opus of hues and patterns, where each gentle tug unveiled a new surprise, nurturing fine motor skills and igniting the flames of artistic exploration. Amidst the sweet sound of laughter and the wide-eyed wonder, these budding artists crafted their own abstract masterpieces, reminding us all that in the world of creativity, there are no limits.

**"Nursery kids created designs by pulling paint-soaked threads from a book - art filled with surprise and fun!"**

# KIDDIES KITCHENETTE – ‘MANGO SALSA’ PRE-PRIMARY

*“Summers can never be complete without a good feast on delicious mangoes.”*

Everyone waits for summer season every year, just because of mango! To celebrate and relish the taste of the most favourite fruit mango, the students of Pre-primary participated in Kiddies Kitchenette activity on 14<sup>th</sup> July in which they prepared a lip-smacking dish – MANGO SALSA.

Students were delighted by making a mouth watering dish on their own. They prepared Mango Salsa by mixing chopped mangoes , onions and tomatoes in a bowl. Then added cumin powder, a pinch of salt and lemon juice which they served with nachos. Students got to know about various varieties of mangoes like- Langra, Chaunsa, Alphonso etc which helped in enhancing their vocabulary related to mangoes. They also learnt the nutritional value and health benefits of mangoes.

In the end, they enjoyed their self made dish with a rhyme on mango!

# GRADE -II ACTIVITY

Grade 2 students sailed on an apostrophe adventure, discovering its magic in the sphere of singular and plural possessive nouns. As Helen Keller once said, “The best and most beautiful things in the world cannot be seen or even touched - they must be felt with the heart.” Through this activity, these young learners felt the power of apostrophes, learning to wield them with precision to show ownership. This punctuation superhero added clarity and excitement to their writing, leaving them with a deeper understanding of its enchanting superpowers.

# PBL ACTIVITY

## GRADE-II

‘Dino ke Naam’ activity was an innovative project aimed for the students of Grade II aimed at teaching the days of the week in an interactive way. With colorful suns brightening up the classroom, students learned the days of the week visually and engaged with the concept in a lively environment. This hands-on approach not only nurtured their artistic talents but also left a lasting impression, reinforcing their understanding of the days of the week.

# CLASS PRESENTATION

## GRADE-III

### TOPIC-VASUDHAIVA KUTUMBAKAM(G20)

The class presentation on G20 and global economic issues was an exemplary display of research, teamwork, and public speaking skills by the students of Grade III. Their comprehensive analysis and articulate explanations showcased their grasp of the complex world of international economics. The presentation not only educated the audience about the G20's significance but also inspired critical thinking about the challenges facing the global economy. The presentation served as a testament to the capabilities of students and their commitment to understanding and addressing real-world issues. It highlighted the school's emphasis on holistic education, nurturing not only academic excellence but also the development of skills that prepare students to be informed and responsible global citizens. The students' efforts in researching, preparing, and presenting this topic were commendable and contributed significantly to enriching the understanding of G20 and its role in the global economic landscape.

# **GOOD TOUCH AND BAD TOUCH**

In an engaging counseling session, the students of Grade II delved into the world of 'Good Touch, Bad Touch!' Kids learned to guard their personal space and stand strong against uncomfortable situations. We focused on teaching students about personal boundaries and safe interactions. Through age-appropriate discussion, children were empowered to differentiate between appropriate and inappropriate physical contact. The session aimed to equip them with the knowledge and confidence to communicate their feelings and seek help if they ever encountered uncomfortable
