Together Towards Tomorrow

**K.R.MANGALAMWORLD SCHOOL,
VAISHALI**

PRINCIPAL'S ADDRESS

In the ever-evolving landscape of education, we gather here under the profound words of Carl Rogers: “The only person who is educated is the one who has learned how to learn and change.”

At K.R. Mangalam World School, Vaishali, we believe that true education transcends the mere acquisition of knowledge; it lies in the boundless realm of creativity and imagination, as beautifully expressed by Albert Einstein.

Our journey in education is not just about academic excellence but about nurturing lifelong learners, critical thinkers, and responsible citizens. ‘Expand your Horizons’ and ‘Ascend to New Heights’ are not just adages but guiding lights illuminating the path to a fulfilling life.

Imagination, the cornerstone of child development, serves as the fuel for cognitive and social growth. As advocates of this ideology, we are committed to fostering a spirit of creativity and innovative thinking in each student. In an era of rapid educational transformation, we strive to cultivate active and imaginative individuals, ready to thrive in the ever-changing world.

At K.R. Mangalam World School, Vaishali, we have blended academic rigor with a passion for exploration, weaving threads of distinction in progressive avenues of education. Our achievements go beyond routine success; they echo the vibrant spirit of a community that values curiosity, resilience, and the pursuit of excellence.

As we celebrate the triumphs of KRM, let us collectively revel in the shared success story that continues to unfold. Together, fueled by the collective efforts of our dedicated staff, supportive parents, and the unconquerable spirit of our students, we shall continue to sculpt a narrative of educational brilliance. Each achievement becomes a stepping stone to greater heights of enlightenment.

In essence, let us carry the flame of accomplishment forward, ensuring that the spirit of curiosity and excellence burns brightly in the hearts and minds of our students.

From the Editorial

Sailing upon the canvas of knowledge, we find ourselves weaving a vibrant narrative within the pages of our school magazine. As we navigate through the avenues of creativity and intellect, we are reminded that education is not merely a destination but a journey adorned with the colors of curiosity and the brushstrokes of imagination.

In the words of Albert Einstein, “Imagination is more important than knowledge. For while knowledge defines all we currently know and understand, imagination points to all we might yet discover and create.” This sentiment encapsulates the essence of our educational endeavor - a continuous exploration into the realms of the unknown. Within these pages, we celebrate the kaleidoscope of talents and perspectives that our students bring to the fore. Each achievement and illustration serves as an insignia to the richness of our collective intellect. Our magazine is not just a compilation of words and images; it is a symphony of ideas, a manifestation of the intellectual tapestry we are collectively creating.

As we peruse the pages of this edition, let us be captivated by the diverse voices that echo within, each resonating with the enthusiasm and passion that characterizes our school community. Our journey through these literary landscapes is an invitation to board on a odyssey of enlightenment, a sojourn that transcends the ordinary and ventures into the extraordinary.

So, dear readers, plunge yourselves in the pages before you, for within them lies the magic of exploration and the alchemy of creativity.

A Week of Inspiration at
**CENTRAL SECRETARIAT
LIBRARY AND OXFORD
BOOKSTORE**

Exploring Wisdom, Embracing Creativity, and Creating Lifelong Memories

In an exceptional week, our students sailed on a journey of intellectual exploration and creativity. They began by visiting Asia's most prestigious library, an oasis of wisdom. Here, they submerged themselves in the world of literature, discovering the power of storytelling and engaging in vibrant discussions at Oxford Bookstore. Throughout this memorable week, our students actively participated in an opus of knowledge and creativity, forming connections with ideas, words, and fellow seekers of knowledge. This week has left an enduring mark on our students, nurturing their thirst for knowledge, sparking creativity, and carving unforgettable memories.

A comprehensive workshop on
**MENSTRUAL HYGIENE FOR
GIRLS AND PUBERTY FOR BOYS**
was conducted for the students of Grades IV to VII

In the pursuit of knowledge and the quest for a healthier future, we sailed on a journey to enlighten young minds, instilling wisdom and understanding about the intricate nuances of adolescence. As philosopher Socrates once wisely said, “An unexamined life is not worth living,” we gathered to conduct a comprehensive workshop on Menstrual Hygiene for girls and Puberty for boys, catering to students in Grades IV- VII.

The workshop recognized the profound transition from childhood to adolescence, addressing critical aspects for these young scholars. The Menstrual Hygiene workshop educated girls about menstruation biology, hygiene, and product options, empowering them to embrace this natural process confidently. Simultaneously, the Puberty Education for boys demystified physical and emotional changes, fostering an environment of openness and trust.

The workshop's success lay in its interactive and inclusive approach, with experts and counselors guiding and engaging students. As we reflect, we believe that through knowledge and examination, we are paving the way for a brighter, healthier, and more informed generation.

Our School dedicated the month of
October to its
**COMMUNITY
OUTREACH
PROGRAMME**

In a heartwarming display of compassion, K.R. Mangalam World School, Vaishali's community, including students, teachers, parents, and staff, united in noble generosity. Their collective effort and resolute dedication resulted in an extraordinary achievement. The school launched a donation campaign to aid survivors of a devastating earthquake in Turkey and Syria, contributing clothes and essential food items. Simultaneously, they extended support to rain-soaked streets in Delhi, offering heartfelt donations to victims.

Grades VI to VIII students unite for impactful change, proving that small acts, multiplied, can transform the world.

These selfless acts testify to the enduring power of humanity, transcending geographical boundaries to alleviate suffering. This collective endeavor stands as a shining example of the school's cherished values, inspiring hope and compassion in a world that yearns for such kindness.

ACTIVITIES

HALLOWEEN ACTIVITY GRADE-NURSERY

Capturing the memories of our students for Halloween celebration. These little monsters made this day unforgettable!

COMMUNITY GRADE-KG

Community is much more than belonging to something; its about doing something together that makes belonging matter.

EK BHARAT

SHRESTHA BHARAT

GRADE-I

Indian culture is one of the most ancient culture in the world. Our country is diverse and is home to several communities, each of whom has their own culture and traditions. People speak in different languages, dress differently, follow different religions , eat different food but follow same temperament. In spite of this diversity people of whole country is working together to attain the same things: happiness, peace and a hopeful future. To showcase the beauty of our country, the students of Grade-I took everyone on a journey of India through their class presentation on the topic 'Ek Bharat Shrestha Bharat' held on 21st and 27th September 2023.

The students began the presentation by giving a warm welcome to the parents followed by a welcome song and dance. The students further showcased some families who were sharing their amazing experiences about their recent trips to different states of India. It was followed by beautiful dance performances of students representing the cultural richness of each state. They also talked about places to visit, cuisine, temples, dresses they wear, language people speak in these states. The beautiful show ended with grand finale of kids showing the 'Unity of India'. Parent's participation was seen in the quiz conducted by kids. The parents were astonished to see the performance of every child and applauded the brilliant work.

SUBTRACTION

ACTIVITY

GRADE -II

Our Grade 2 champs embarked on an adventure into the world of subtraction using the incredible Number Line Kit.

With markers in hand and smiles on their faces, our future math wizards showcased their subtraction skills in the most captivating way! The children learned subtraction by visually jumping along the number line, making math tangible and engaging. This hands-on experience fostered precision and a solid understanding of the concept.

WORLD FOOD DAY

GRADE-II

Grade 2 superstars brought their creative flair to life on World Food Day! They showcased their artistic talents through vibrant poster making, spreading awareness about the importance of nutritious food for all.

The young artists filled our hearts with hope as they sketched colorful veggies and fruits, reminding us of the importance of a balanced diet. Their posters radiated the message that good food is not just a treat for our taste buds but a source of vitality and strength for a better world.
